Subject: Request for permission to Reduce Library hours.

Respected Sir,

I am writing this letter to bring to your notice that Edwin's Lab members are willing to continue to learn in the college library hours, free classes and also during holidays in EDWIN'S LAB. We are determined to learn and hone our skills and convert our weakness to strength.

We are requesting you to give permission to reduce our Library hours from 30 hours to Nil.

Thank you.

Yours faithfully,

Edwin's Lab Students
